

## Blessings and Salutations!

Summerville Presbyterian is currently seeking an Associate Pastor to join our church family and continue the tradition of discipleship, education, and outreach our Church upholds. The candidate for this position will be responsible for working in partnership with our Senior Pastor to implement our Spiritual Growth and membership activation goals; be an active presence in church outreach activities, worship, and pastoral care. He or she should be passionate about inviting people to know Christ, to grow in their relationships with Him, and to discover their gifts so they can serve God faithfully. The specific areas of focus can be found on our Mission Information Form, but are summarized below:

- Discipleship—Develop and support a multi-faceted spiritual growth program for children, youth and adults, supervising the work of a part-time children's ministry director and part-time youth director;
- Membership Activation—Sustain a process for all members to discover, develop and use their spiritual gifts and engage in SPC ministries and missions;
- Outreach—Suggest and implement creative ideas to reach the community for Christ and to help people make connections with SPC.

SPC is in a community that is experiencing exponential growth, and many of our members commute to work in Charleston, which is only a half hour away. We believe we have a message and love to share with our community, and are looking to find an associate pastor who will partner with us in implementing our vision.

SPC is seeking a Seminary graduate and Ordained Teaching Elder with a personal faith commitment to Jesus Christ and the Reformed tradition. Interested candidates can reach out to the APNC at [summervillepres.apnc@gmail.com](mailto:summervillepres.apnc@gmail.com). For more information about our congregation, visit [www.summervillepres.org](http://www.summervillepres.org).
