POSITION AVAILABLE

Glenwood Springs First Presbyterian Church – a historic Colorado landmark founded in 1886 – seeks a full-time pastor with exceptional communication and team-building skills to lead our congregation in its next stage of development. We’re looking for someone who’s not afraid of ambitious goals; who’ll continue growing our Sunday worship services, expanding our weekly Gather Round evenings of food and fellowship, and supporting our heritage of community service missions, which remind and inspire us to serve God and love our neighbors. If you’re looking for a friendly mountain town where the neighbors still wave, and where snowboards, trails and trophy trout still outnumber the traffic lights, this may be the place for you. If interested, send us your resume and a cover letter to glenwoodspringsfpc@gmail.com or submit an application to [PCUSA portal?]
