THE CERTIFICATION PROGRAM

The Leadership Institute at Union Presbyterian Seminary, in cooperation with The Church Network (formerly NACBA), is pleased to offer this certification seminar program. The program meets certifying standards of the Presbyterian Church Business Administrators Association (PCBAA). Faculty from Union Presbyterian Seminary, local colleges, and qualified business practitioners teach the seminar sessions. You do not need to be seeking certification to attend. This is a multi-denominational program, and is open to clergy as well as professional church administrators and volunteers.

The certification curriculum has changed in recent years. The entire in-class process may now be completed in eight days. All eight of the core courses will be offered on Thursdays, four in the fall and four in the spring at Union Presbyterian Seminary in Charlotte.

SEMINAR FORMAT AND PROGRAM CREDIT

Those seeking certification must complete core classes and additional CEUs. Each set of core classes is offered every year at Union Presbyterian Seminary. The order in which the seminars are taken is unimportant. The seminars may be completed at different centers. Upon completion of each seminar, Continuing Education Units (CEUs) are awarded. For certification applicants, 100% attendance is required.

REQUIREMENTS FOR TCN PROFESSIONAL CERTIFICATION
Completing the eight seminars on campus at Union Presbyterian Seminary meets the new requirements for core courses toward certification in The Church Network.

  - Church Technology Basics (0.2)
  - Church Technology Trends (0.2)
  - Theology and Ethics of Church Administration (0.2)
  - Self-Care for Church Administrators (0.2)
- completion of a project that represents a responsible contribution to the field of church management;
- three years of continuous, full-time work experience as a church business administrator or in a related finance and administration position in a local congregation;
- submission of the application for certification, personal evaluations, and other administrative requirements.
